

WEBSITE DEVELOPMENT & GOOGLE BUSINESS PROFILE OPTIMIZATION AGREEMENT

Between Center Point Digital and Spotless Auto Wash

1. Parties & Effective Date

This Agreement ("Agreement") is entered into as of **April 26, 2026** (the "Effective Date") by and between:

- **Service Provider:** Center Point Digital ("Service Provider"), with its principal place of business at 3823 S. Parnell Ave, 3rd Floor, Chicago, IL 60609.
- **Client:** Spotless Auto Wash, with locations at 7310 Roosevelt Road, Forest Park, IL 60130 and 7002 Madison Street, Forest Park, IL 60130 ("Client").

Service Provider and Client are each referred to as a "Party" and collectively as the "Parties."

2. Scope of Services

Service Provider will deliver the services described in this Section 2 (collectively, the "Services").

2.1 Website Design & Development

- Custom design and front-end build of a marketing website for Spotless Auto Wash, based on the design direction approved by Client.
- Pages included: Home, Wash Packages, How It Works, Locations, Tokens, and Contact (or substantively equivalent sections).
- Mobile-responsive layout optimized for phones, tablets, and desktop.
- On-page SEO foundations: page titles, meta descriptions, semantic HTML, sitemap, and robots.txt.

2.2 Configuration

- Performance optimization (image compression, caching headers, code minification) targeting a Google PageSpeed mobile score of 80+ at launch.
- Google Analytics 4 implementation into Client's existing GA4 property (Client to provide Measurement ID and grant Service Provider access). If Client does not have an existing GA4 property, Service Provider will create one under a Client-owned Google account.
- Contact form configuration with email delivery to a Client-provided address.
- Basic schema markup for LocalBusiness on both location pages.

2.3 Deployment

- Deployment of the production build to a hosting platform selected by Service Provider (Vercel or equivalent).
- SSL/TLS certificate provisioning and HTTPS enforcement.
- Pre-launch QA pass: cross-browser checks (Chrome, Safari, Firefox, Edge) and core mobile devices.

2.4 Domain Setup (Client-Provided Domain)

Client is responsible for purchasing and maintaining the domain name. Service Provider will:

- Provide the DNS records needed to point the Client-owned domain to the deployed site.
- Verify proper DNS propagation and SSL issuance after Client updates records (or, with Client-granted access, update DNS records on Client's behalf).

Note: Domain registration fees, renewals, and any registrar transfer costs are the sole responsibility of Client and are not included in this Agreement.

2.5 Google Business Profile (GBP) Fixes — Both Locations

Service Provider will optimize Client's Google Business Profiles for both Forest Park locations (Roosevelt Road and Madison Street). This includes:

- Verification of Name, Address, and Phone (NAP) consistency across both profiles.
- Selection of optimal primary and secondary categories.
- Review and correction of business hours, including 24-hour operation flag where applicable.
- Optimized business descriptions (up to ~750 characters per profile).
- Upload of up to ten (10) photos per location, supplied or approved by Client.
- Review and selection of relevant business attributes.
- Population of the Products/Services section with current wash packages and pricing.
- Seeding of an initial Q&A set (up to five (5) per location).
- Setup of a shareable customer review link for each location.
- Generation of a printable QR code for each location that points directly to the corresponding Google review page, delivered as high-resolution PNG and SVG files suitable for in-store signage, receipts, and marketing materials.
- Publication of three (3) initial Google Posts to demonstrate active profiles.

Out of scope: ongoing GBP management, paid Google Ads, removal of third-party reviews, or recovery of suspended profiles. These can be addressed under a separate agreement.

3. Client Responsibilities

Timely completion depends on Client providing the following:

- **Domain access:** active ownership of the domain and the ability to update DNS records (or temporary registrar access).
- **Content & assets:** logo files, brand colors (where applicable), photographs, copy edits, and pricing details.
- **GBP access:** ownership/manager access to both Google Business Profiles, or willingness to add Service Provider as a manager.
- **Reviews & feedback:** review of design drafts and deliverables within three (3) business days of receipt.
- **Final approval:** written approval (email is sufficient) before production deployment.

Delays in any of the above will extend the project timeline on a day-for-day basis.

4. Timeline

The estimated time to completion is two to three (2–3) weeks from the Effective Date, contingent on Client providing the items listed in Section 3 in a timely manner. Material delays in Client deliverables will extend the timeline accordingly. Service Provider will communicate any timeline changes in writing.

5. Fees & Payment

Total Project Fee: \$[TOTAL PROJECT FEE] USD.

Payment schedule:

- **Retainer:** \$1,000.00 USD due upon signing of this Agreement. Client acknowledges that this retainer has been received by Service Provider as of the Effective Date.
- **Balance:** the remaining balance shall be paid in weekly installments of \$500.00 USD, beginning seven (7) days after the Effective Date, and continuing every seven (7) days thereafter until the balance is paid in full.
- **Method:** payments shall be made by [ACH / Zelle / credit card / other] to Service Provider.
- **Late payments:** any installment more than seven (7) days past due may, at Service Provider's discretion, result in a pause of work and/or a 5% late fee on the overdue amount. The website may be temporarily taken offline if any installment is more than fourteen (14) days past due.

- **Non-refundable retainer:** the \$1,000.00 retainer is non-refundable once work has commenced.

6. Post-Launch Support & Ongoing Revisions

After the website is launched, Service Provider will provide the following at no additional charge:

- **Bug fixes:** any defects in Service Provider's work reported within thirty (30) days of launch will be corrected at no charge.
- **Small content revisions:** up to two (2) small content revisions per calendar month are included as part of this Agreement, on an ongoing basis. A "small content revision" means a text update, image swap, hours change, pricing tweak, or similar change estimated by Service Provider to take less than thirty (30) minutes.

Revisions in excess of the included monthly allotment, or work that exceeds the "small" threshold (e.g., new pages, redesigns, new functionality), will be quoted and billed separately at Service Provider's standard hourly rate.

7. Intellectual Property

- **Ownership upon payment:** upon receipt of full payment of the Total Project Fee, Client owns the final website design, custom code, and content created specifically for Client under this Agreement.
- **Service Provider retained rights:** Service Provider retains the right to (a) display the work in its portfolio, case studies, and marketing materials, and (b) reuse generic, non-Client-specific code components, libraries, and design patterns.
- **Third-party assets:** fonts, stock photography, plugins, hosting services, and similar third-party assets remain governed by their respective licenses and are not transferred under this Agreement.
- **Client-supplied materials:** Client warrants that any logos, photographs, copy, or other materials provided to Service Provider are owned by Client or properly licensed for use.

8. Confidentiality

Each Party agrees to keep confidential any non-public business, financial, or technical information disclosed by the other Party in connection with this Agreement, and to use such information solely for the purpose of performing under this Agreement. This obligation survives termination for a period of two (2) years.

9. Warranties & Disclaimers

Service Provider warrants that the Services will be performed in a professional and workmanlike manner. **EXCEPT AS EXPRESSLY STATED, THE SERVICES AND DELIVERABLES ARE PROVIDED “AS IS,” AND SERVICE PROVIDER DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

Service Provider does not warrant any specific search engine ranking, traffic level, lead volume, or business outcome. Service Provider is not liable for outages, policy changes, or service disruptions of third-party providers including (without limitation) Google, the chosen hosting provider, the domain registrar, or any analytics platform.

10. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, SERVICE PROVIDER'S TOTAL CUMULATIVE LIABILITY UNDER THIS AGREEMENT SHALL NOT EXCEED THE TOTAL FEES ACTUALLY PAID BY CLIENT TO SERVICE PROVIDER IN THE THREE (3) MONTHS PRECEDING THE CLAIM. NEITHER PARTY SHALL BE LIABLE FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES.

11. Termination

- **For convenience:** either Party may terminate this Agreement upon fourteen (14) days' written notice to the other Party.
- **For cause:** either Party may terminate immediately if the other Party materially breaches this Agreement and fails to cure within seven (7) days of written notice.
- **Effect of termination:** Client shall pay for all Services performed and expenses incurred up to the effective date of termination. The retainer and any installments already paid are non-refundable. Service Provider will deliver work-in-progress files in their then-current state upon receipt of final payment due.

12. Independent Contractor

Service Provider is an independent contractor. Nothing in this Agreement creates an employment, partnership, joint venture, or agency relationship between the Parties.

13. Governing Law & Dispute Resolution

This Agreement shall be governed by and construed under the laws of the State of Illinois, without regard to its conflict-of-laws provisions. The Parties agree to attempt in good faith to resolve any dispute through direct negotiation before pursuing other remedies. Any unresolved

14. Entire Agreement

This Agreement constitutes the entire understanding between the Parties regarding its subject matter and supersedes all prior discussions, proposals, and agreements, whether written or oral. No modification is effective unless in writing and signed by both Parties. If any provision is found unenforceable, the remaining provisions shall remain in full force and effect.
